## Abstracts

Hair care is an overall term for parts of hygiene and cosmetology involving the hair on the human head. Hair care will differ according to one's hair type and according to various processes that can be applied to hair. All hair is not the same; indeed, hair is a manifestation of human diversity.

Aruvian's R'search presents an analysis of the hair care market in Russia. The report begins with an analysis of the basics of hair care and then moves on to analyze the hair care industry in Russia. The report analyzes the market segmentation, market share, and industry value and volume. An analysis of the major players in the hair care industry in Russia includes a SWOT analysis of the players, business segment analysis and a corporate profile.
