Abstracts

It takes 3-5 business days to dispatch the report after the purchase is made.

There are a wide range of fungicides. Zoxamide, with a relatively lower performance price ratio, is not used in many fields. In China, there are only two enterprises authorized to produce zoxamide, Dalian Chemphy Chemical Co., Ltd. and Dongguan Ruidefeng Biotechnology Co., Ltd.

In the future, along with development of manufacturing technology and reduction of prices, zoxamide may have a well prospect.
