ID: BE2E6D4AE6FEN

Abstracts

Strengthening its penetration of the market of rigid plastic packaging for beauty and personal care companies remains the focus of Bestpak Manufacturing Enterprises. The company also plans to continue investing in research and development, which would help the company sustain its profitability, as strong research and development would allow the company to gain knowledge of new products and new technology. This would ultimately allow the company to be adaptable to changing consumer needs within...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
