Abstracts

With non-essential brick-and-mortar stores closing in 2020 as part of measures introduced to limit the spread of COVID-19 (many of these stores were forced to close from the end of March to around July, depending on the location with some able to reopen at the end of June, while others had to wait until August), most boutiques and mixed retailers started to operate their outlets as local distribution centres for e-commerce sales as they rapidly responded to the dramatic expansion of online sales...
