Abstracts

Toyo Seikan will continue to respond to changing consumer needs and will focus on value-added packaging in the forecast period, as it seeks to ensure high profits in Japan. The company is committed to ongoing innovation. The company is also expected to benefit from stronger economies of scale if it integrates its business with new acquisition Hokkan Holdings, if this occurs. However, this business integration was initially planned for April 2017 and had not occurred by the end of this year,...
