Abstracts

SUMMARY

Strategic Defence Intelligence's 'Agility: Aerospace and Defense - Company Profile, SWOT and Financial Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, financial analysis, mergers and acquisitions, recent developments, key employees, company locations and subsidiaries as well as competitive benchmarking data.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Agility'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. Strategic Defence Intelligence strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Agility is a provider of logistics solutions worldwide. The company provides supply chain solutions and freight management services through various modes of transportation including air, sea and road. Its major customers include governments, ministries of defense, international organizations and household consumers. It manages end-to-end inventory planning and replenishment needs of customers including purchasing,

ordering and quality control. It manages commercial and industrial real estate properties, apart from offering solutions for waste management and recycling, and customs optimization and clearance services. The company provides after sales services such as reverse logistics, service parts logistics and exchange logistics. It offers logistics solutions through its wide network of offices and warehousing facilities spread across the world. Agility is headquartered in Sulaibia, Kuwait.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Agility'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Agility is a provider of logistics solutions worldwide. The company provides supply chain solutions and freight management services through various modes of transportation including air, sea and road. Its major customers include governments, ministries of defense, international organizations and household consumers. It manages end-to-end

inventory planning and replenishment needs of customers including purchasing, ordering and quality control.
