Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Recylex SA (Recylex) is an industrial recycling company that recycles lead, plastic and zinc, and produces high-purity special metals. The company undertakes recycling of lead from automotive and industrial scrap batteries; plastics from used battery casings and industrial waste such as car parts and construction waste; and zinc from electric arc furnace dust and scrap zinc. It also produces high-purity special metals such as arsenic, germanium, gallium or indium. The company offers its products for the building, automobile and electronic industries. It operates through its industrial facilities located in France, Germany and Belgium. Recylex is headquartered in Paris, France.
