Abstracts

The report analyzes and presents an overview of Anchor Handling Tug Supply (AHTS) Vessel market worldwide. 'Anchor Handling Tug Supply (AHTS) vessels are designed for anchoring and towing of oil rigs and offshore installations. AHTS are also equipped with oil recovery, rescue and fire fighting systems to serve as Emergency Rescue and Recovery Vessels (ERRVs). The powerful ships are used for the deployment, recovery and shifting of sub-sea mooring patterns. These vessels feature superior engine rating and bollard pull for performing specialized operations including the anchor handling.'

The report also provides a review of classifications, applications and challenges of AHTS vessels along with strategic industry activities of major companies worldwide. In addition, 64 companies operating in the Anchor Handling Tug Supply Vessel arena worldwide including ABG Shipyard Ltd., Bourbon SA, Damen Shipyards Group, Drydocks World, Fincantieri SpA, Havyard Group AS, Megalodon Marine Sdn. Bhd., Rolls-Royce PLC, Ulstein Group ASA, Zamakona Yards Bilbao, and others are profiled.
