REASONS TO BUY

Quickly enhance your understanding of 'Cloud Peak Energy Inc.'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Cloud Peak Energy Inc. (CPE) is a producer of coal. The company specializes in the production of subbituminous thermal coal with low sulfur content. It owns and operates three surface coal mines: Antelope, Cordero Rojo and Spring Creek. The company operates Antelope and Cordero Rojo mines in Wyoming; and the Spring Creek mine in Montana, the US. Moreover, it offers services such as contracting and coordination of the transportation; purchase of coal from third parties and its owned and operated mines; and handling services from rail and terminal companies. It markets coal to domestic and international electric utilities and industrial consumers for generation of electricity and steam output. The company also owns two major development projects which include the Youngs Creek project and the Crow project located in the Northern PRB. Cloud Peak is headquartered in Gillette, Wyoming, the US.
