Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

## KEY HIGHLIGHTS

Mushrif Trading & Contracting Co. K.S.C.P. (Mushrif) is a civil constructing and contracting company. It offers construction services for road works, buildings, heavy civil works, deep foundation works, major pipeline projects, waste water treatment plants and specialized construction. It also offers mechanical, electrical, and instrumentation contracting services for the oil and gas sector. These contracting services include procurement, installation, and commissioning of pipe lines, electrical products, sub systems, distributed control and emergency shutdown systems, fire and gas systems, process control instruments and control valves, and cables. In addition, the company offers services related to the operation and maintenance of civil works and equipment for sewage and wastewater treatment plants, pumping stations, reservoirs, and other industrial facilities; and distributes ductile iron and carbon steel pipes and fittings. Mushrif is headquartered in Rumathiya, Kuwait.
