Abstracts

Introduction

This databook provides key data and information on the dairy food market in Finland. This report is a comprehensive resource for market, category and segment level data including value, volume, distribution share and company & brand share. This report also provides expenditure and consumption data for the historic and forecast periods.

Scope

* Contains information on eight categories: spreadable fats, soy products, cheese, chilled desserts, cream, milk, fromage frais and yogurt

* Market, category and segment level information on value, volume, and expenditure & consumption, with historic (2004-09) and forecast (2010-14) data

* Category level company and brand share as well as distribution share information for 2008 and 2009

* Review of the top two companies within the dairy food market, including company overview, key facts and business description

Highlights

The market for dairy food in Finland increased at a compound annual growth rate of 1.3% between 2004 and 2009.

The milk category led the dairy food market in Finland, accounting for a share of 30.4%.

Leading players in Finnish dairy food market include Valio Group, Arla Foods amba and Kainuun Meijeri.

Reasons to Purchase

- * Develop business strategies by understanding the quantitative trends within the dairy food market in Finland
- * Design effective marketing and sales strategies by identifying key market categories and segments
- * Identify key players within the market to plan lucrative M&A, partnerships and agreements

Contents

CHAPTER 1 EXECUTIVE SUMMARY

Summary market level: dairy food
Summary category level: spreadable fats
Summary category level: soy products
Summary category level: cheese
Summary category level: chilled desserts
Summary category level: cream
Summary category level: milk
Summary category level: fromage frais
Summary category level: yogurt
