## Abstracts

### Introduction

The Express Market Profile - Hungary contains a detailed outlook on the Express industry in this country, reporting on market size, segmentation, trends, and growth forecasts up to 2014 as well as an overview of the European (EU-16) market situation.

### Features and benefits

Covers details of the Hungarian express market as well as a full European overview

Analyses the country's express market by size & growth levels, further broken down into the segmentations of Destination, Service Level and Recipient

### Highlights

"As a result of the difficult economic circumstances in 2009, Hungary's GDP fell by -6.3% affecting the demand for higher value added services. Consequently the country's CEP market value and volume decreased by 4.9% and 3.0% respectively."  
"
