Abstracts

Introduction

A comprehensive competitor database containing premium income, market shares and performance ratio data, by key UK line of business.

Features and benefits

Benchmark your premium income by line of business against your competitors.

Gain access to the performance ratio data of your competitors.

Highlights

This year's edition of the database shows that RBS Insurance is now the largest UK non-life insurer. The top 10 UK insurers now command over half of all UK non-life insurance gross written premiums.

Your key questions answered

Which insurers achieved an underwriting profit in 2009?
