Abstracts

The global outlook series on the Online Services Industry provides a collection of statistical anecdotes, market briefs, and concise summaries of research findings.

Illustrated with 42 fact-rich market data tables, the report offers a rudimentary overview of the industry, and highlights latest trends and demand drivers.

Regional markets briefly abstracted and covered include US, Canada Europe (France, Germany, Switzerland, United Kingdom) Asia-Pacific (Japan, China, India, South Korea, Taiwan) and Latin America.

The report offers a compilation of recent mergers, acquisitions, and strategic corporate developments.

Also included is an indexed, easy-to-refer, fact-finder directory listing the addresses, and contact details of 430 companies worldwide.

Contents
