### Dispensing Chemists in the UK

This industry comprises companies that dispense and retail pharmaceutical goods via community pharmacies and chemists. In addition to dispensing prescriptions, pharmacies also provide other National Health Services (advanced and local enhanced services) and sell over-the-counter medications and a range of non-pharmacy goods. This report does not cover in-store supermarket pharmacies.

This report covers the scope, size, disposition and growth of the industry including the key sensitivities and success factors. Also included are five year industry forecasts, growth rates and an analysis of the industry key players and their market shares.
