## Abstracts

### Meat, Fish and Poultry Retailing in Australia

Operators in this industry retail a broad range of fresh meat, fish and poultry and processed meats, and include both supermarkets and specialist retailers such as butchers and fishmongers. Products are purchased primarily from domestic wholesalers or processors. Industry players then sell these goods through their retail stores. Stores that primarily operate as meat, poultry or seafood processors or wholesalers are excluded from this industry.

This report covers the scope, size, disposition and growth of the industry including the key sensitivities and success factors. Also included are five year industry forecasts, growth rates and an analysis of the industry key players and their market shares.
