Abstracts

Nursing Homes in Australia

This industry consists of nursing or convalescent home facilities (including those that provide nursing or medical care as a basic part of the service). Nursing homes, or high-care nursing facilities, provide 24-hour nursing care for residents and are staffed by registered and enrolled nurses, nursing assistants or personal care assistants.

This report covers the scope, size, disposition and growth of the industry including the key sensitivities and success factors. Also included are five year industry forecasts, growth rates and an analysis of the industry key players and their market shares.
