Abstracts

SUMMARY

SDI's 'Codan Radio Communications: Aerospace and Defense - Company Profile and SWOT Analysis' contains in depth information and data about the company and its operations. The profile contains a company overview, key facts, major products and services, SWOT analysis, business description, company history, recent developments, key employees as well as company locations and subsidiaries.

KEY FINDINGS

This report is a crucial resource for industry executives and anyone looking to access key information about 'Codan Radio Communications'

The report utilizes a wide range of primary and secondary sources, which are analyzed and presented in a consistent and easily accessible format. SDI strictly follows a standardized research methodology to ensure high levels of data quality and these characteristics guarantee a unique report.

SYNOPSIS

Codan Radio Communications (Codan) designs and builds premium communications equipment for High Frequency (HF) radio and land mobile radio applications. It offers a series of HF transceivers that are suitable for the combination of portable, vehicle and base station systems. It also offers a range of accessories including modems, antennas, high power amplifiers, crosspatches, telephone interconnect and remote control components. The company supplies its products to the United Nations, Red Cross and

other international aid agencies. It serves humanitarian agencies, police and security agencies, coast guard and border patrol, state services, and utilities and military markets. It operates service centers and manufacturing facilities in Australia, the US, Canada, the UAE, the UK, and China. The company operates as a subsidiary of Codan Limited, an Australian based company. Codan is headquartered in Newton, Australia.

This business intelligence report presents the key company information, essential to understanding industry challenges and competitors.

The SWOT analysis identifies the company's strengths, weaknesses, opportunities for growth and threats. The key competitors are dissected alongside the larger challenges that the industry is facing.

The company profile relays all current information about the business operations, including key employees, major products and services, company history, locations and subsidiaries alongside a supporting statement from the Chairman and Managing Director.

REASONS TO BUY

Quickly enhance your understanding of 'Codan Radio Communications'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.
