

Global Data Center Network Equipment Market 2008-2012

Global Data Center Network Equipment Market 2008-2012

Infiniti Research

Date: Feb, 2011

Pages: 29

Price: US\$ 1,500.00

ID: G1F1DC704D5EN

Data center network equipment is becoming the backbone of any data center operation. These devices have been effectively controlling and managing data packet for communication apart from storage of organizational data. The global data center network equipment market has remained positive with consistent demand from organizations to better managed network traffic and storage of data.

The Global Data Center Network Equipment market is also witnessing new trends, like the emerging need for green Data Center Network Equipment, to reduce the power consumption of data centers. The overall Global Data Center Network Equipment market is expected to grow.

The increasing need among organizations to stay abreast with new network technologies is a key driver for this market. However a high dependence on component suppliers is a major challenge to the growth of this market.

TechNavio's "Global Data Center Network Equipment Market 2010 - 2014" report has been prepared based on an in-depth study of the market along with inputs from industry experts. The report contains market and vendor landscape supported by drivers, restraints and trends.

The report covers the current data center network equipment market at a global level. It also provides analysis and profiling of leading vendors in the market.

Methodology

Research methodology is based on extensive primary and secondary research. Primary research includes in-depth interviews with industry experts, vendors, resellers and customers. Secondary research includes Technavio Platform, industry publications, company reports, news articles, analyst reports, trade associations and the data published by Government agencies.

Table of Content

- 01. EXECUTIVE SUMMARY**
- 02. INTRODUCTION**
- 03. MARKET LANDSCAPE**
- 04. VENDOR LANDSCAPE**
- 05. MARKET GROWTH DRIVERS**
- 06. MARKET CHALLENGES**
- 07. MARKET TRENDS**
- 08. KEY VENDOR ANALYSIS**

- 08.1 Cisco Systems
- 08.2 Juniper Network
- 08.3 Hewlett Packard
- 08.4 Brocade Communications Systems
