In 2022, the gradual relaxation of epidemic prevention and control measures around the world will have a positive impact on the rapid recovery of the tourism industry. According to data from the World Tourism Organization, the number of global travelers exceeded 900 million in 2022, a two-fold increase compared to 2021. In 2022, international tourism revenue returned to the US$ 1 trillion, a real increase of 50% compared with 2021. According to data from the Ministry of Culture and Tourism of China, in 2022, the total number of domestic tourists was ? 2.53 billion, and the domestic tourism revenue (total tourism consumption) was ? 2 trillion.

Container trip leasing service is a service that provides containers as temporary accommodation. This service is usually provided at tourist attractions or specific event venues, and travelers can rent containers as accommodation facilities, similar to hotel rooms. Container travel rental services usually provide basic living facilities, such as beds, toilets, showers, etc., and provide a certain degree of comfort and convenience. The advantage of this kind of service lies in its unique accommodation experience and relatively low cost, which is suitable for those travelers who pursue unusual travel experience or have limited budget.
