

## Global Pharmaceuticals, Biotechnology & Life Sciences

# Global Pharmaceuticals, Biotechnology & Life Sciences

*MarketLine*

Date: January 17, 2012

Pages: 45

Price: US\$ 250.00

ID: GD956BC601AEN

## Introduction

Global Pharmaceuticals, Biotechnology & Life Sciences industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value 2006-10, and forecast to 2015). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market. Essential resource for top-line data and analysis covering the Global pharmaceuticals, biotechnology & life sciences market. Includes market size and segmentation data, textual and graphical analysis of market growth trends, leading companies and macroeconomic information.

## Highlights

- The global pharmaceuticals, biotechnology, and life sciences industry group is composed of the pharmaceuticals market, the biotechnology market, and the life sciences tools and services market.
- The global pharmaceuticals, biotechnology, and life sciences industry group generated total revenues of \$1,001 billion in 2010, representing a compound annual growth rate (CAGR) of 6.8% for the period spanning 2005-2010.
- Pharmaceuticals proved the most lucrative for the global pharmaceuticals, biotechnology, and life sciences industry group in 2010, generating total revenues of \$733.1 billion, equivalent to 73.2% of the industry group's overall value.
- The performance of the industry group is forecast to accelerate, with an anticipated CAGR of 7% for the five-year period 2010-2015, which is expected to drive the market to a value of \$1,405 billion by the end of 2015.

## Features

Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the pharmaceuticals, biotechnology & life sciences market in the global

Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the global pharmaceuticals, biotechnology & life sciences market

Leading company profiles reveal details of key pharmaceuticals, biotechnology & life sciences market players' global operations and financial performance

Add weight to presentations and pitches by understanding the future growth prospects of the Global pharmaceuticals, biotechnology & life sciences market with five year forecasts

Identify the most important regions for pharmaceuticals, biotechnology & life sciences, with the global market segmented by geography for 2010

## Key Questions Answered

What was the size of the Global pharmaceuticals, biotechnology & life sciences market by value in 2010?

What will be the size of the Global pharmaceuticals, biotechnology & life sciences market in 2015?

What factors are affecting the strength of competition in the Global pharmaceuticals, biotechnology & life sciences market?

How has the market performed over the last five years?

Who are the top competitors in the global's pharmaceuticals, biotechnology & life sciences market?
