Abstracts

IAL Consultants is pleased to announce the publication of a brand new study on the Asian Market for Thermal Insulation Products, extending from IAL's expertise in the market for thermal insulation in Europe.

Built on IAL's knowledge and experience in the polyurethane and insulation industries, the study details demand for 2015 and provides anticipated market figures for 2020. Forecast years are presented and market rankings (or market shares where available) of Asia's leading insulation companies are included, by both country and product type. Market influences and trends are als

outlined.

The report covers 7 countries separately in individual country volumes (China*, India, Indonesia, Japan, Malaysia, Philippines & South Korea) covering all of the most commonly used insulation materials. An additional 4 market volumes focus on a specific insulation material exclusively (Mineral Fibre, EPS, XPS & PU/PIR) and present data for the same 7 countries. Buyers of the full study will receive IAL's specially compiled Executive Summary Volume free of charge.

Market data is given in cubic metres, tonnes and the country's local currency. The following market breakdown is provided:
