## Perlite and Vermiculite Market Review

*Merchant Research & Consulting, Ltd*

Date: January 1, 2012

Pages: 75

Price: US\$ 1,190.00

ID: P0F5ED4B9FCEN

Perlite and Vermiculite Market Review is an absolutely essential resource for anyone interested in the detailed information on the reviewed market. Using a wide range of primary and secondary sources, we combined, analyzed and presented all available data about Perlite and Vermiculite in the all-in-one report issued in a coherent format.

In addition to the descriptive part, the report provides a range of tables and figures which give a true insight into the relevant national, regional and global markets of Perlite and Vermiculite.

The report also features next five year forecasts by market experts and analysts.

Monthly market monitoring service for Perlite and Vermiculite is also available.

### Monthly Perlite and Vermiculite Market Monitoring:

- Summarizes key events occurred in Perlite and Vermiculite worldwide.
- Covers Perlite and Vermiculite weekly prices by region and supplies with one-year historical background.
- Monitors activities of Perlite and Vermiculite market players.
- Issued monthly, available on annual subscription.

### Scope

- The report represents a thorough study of Perlite and Vermiculite, covering both global and regional markets.
- It aims to give a proper picture of the pertinent market, as well as its trends, perspectives and opportunities.
- It covers the present situation, historical background and future forecast of Perlite and Vermiculite market.
- Comprehensive data showing Perlite and Vermiculite production, consumption, trade statistics and prices are provided (both nationwide and worldwide).
- Each country's market overview covers the following: Perlite and Vermiculite production in the country, major producers, Perlite and Vermiculite consumption in the country market, Perlite and Vermiculite trade in the country, Perlite and Vermiculite prices.
- The report offers a 5 year outlook on the reviewed market, including Perlite and Vermiculite market volume predictions and price trends.

### Reasons to Buy

The immediate benefits of buying this report are as follows:

- Your knowledge of the Perlite and Vermiculite market will become unparalleled.
- The unique analysis of the relevant market as well as detailed knowledge of both global and regional factors impacting the industry will take you one step further in managing your business environment.
- You will boost your company's business/sales activities.

- Your search for prospective partners and suppliers will be largely facilitated.
- An in-depth market forecast will strengthen your decision-making process.
- Besides annual market intelligence your knowledge of the Perlite and Vermiculite industry can be enriched by the Monthly market monitoring service offered by the company.

#### About Perlite and Vermiculite Market

Perlite and vermiculite are two minerals that expand greatly when heated. They are widely used in agriculture, each mineral commonly combined with bark or peat moss in potting mixes. They are often used as the growth medium in hydroponics systems.

World leader in perlite production is Greece controlling 30% of world market. In vermiculite market South Africa holds leading position with 38.7% share.
