A Commercial Long Dragon Dishwasher is a specialized type of commercial dishwashing equipment designed for high-volume, continuous dishwashing operations. It is often referred to as a 'long dragon' due to its extended configuration, which includes a series of wash and rinse stages along a long conveyor or belt system. These dishwashers are ideal for environments where large amounts of dishware, trays, and utensils need to be cleaned quickly and efficiently. The term 'long dragon' typically refers to the extended, modular design that accommodates high-capacity washing, making it suitable for very large-scale foodservice operations such as hotels, large restaurants, hospitals, and industrial kitchens.
