Perineal care washcloths are soft, highly absorbent care products designed for patients with urinary incontinence. Made of high-quality fiber materials, this towel is skin-friendly, breathable and antibacterial. It can gently wipe the perineal area to remove urine residue, dirt and sweat while avoiding irritation or damage to the skin. The use of perineal care washcloths can improve patient comfort and reduce the risk of skin inflammation and infection. Its convenient packaging design makes it easy to carry and use, and it can be used at any time, whether at home, in the hospital or other occasions. Perineal Care Washcloths are an important part of urinary incontinence care, providing users with a comprehensive, comfortable and efficient perineal area care experience.

United States market for Perineal Care Washcloths is estimated to increase from US$ million in 2024 to US$ million by 2031, at a CAGR of % from 2025 through 2031.
