## Trends and Prospects in International Trade in Mace

*Business Analytic Center (BAC)*

Date: Sep, 2011

Pages: 90

Price: US\$ 820.00

ID: TC80C97676BEN

This report examines international trade and worldwide market trends pertaining to mace. The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on mace export/import operations segmented by country and region. The report covers the 2005-2010 period, with more emphasis on foreign trade in 2010.

The report provides the following analytical materials on the mace: general description, international trade dynamics (2005-2010), exports/imports (2010) broken down by country, major suppliers and consumers, average price. The report also contains world market development forecast for 2011-2015.

International trade operations in more than 125 countries are highlighted through 150 tables and diagrams.
