Pages: 81

Price: US\$ 820.00

ID: T430F710E80EN

This report examines international trade and worldwide market trends pertaining to wheat gluten. The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on wheat gluten export/import operations segmented by country and region. The report covers the 2005-2010 period, with more emphasis on foreign trade in 2010.

The report provides the following analytical materials on the wheat gluten: general description, international trade dynamics (2005-2010), exports/imports (2010) broken down by country, major suppliers and consumers, average price. The report also contains world market development forecast for 2011-2015.

International trade operations in more than 125 countries are highlighted through 150 tables and diagrams.

## Table of Content
