Studies and presents the company's strengths, weaknesses, opportunities (growth potential) and threats (competition). Strategic and operational business information is objectively reported.

Provides data on company financial performance and competitive benchmarking.

The profile also contains information on business operations, company history, major products and services, key employees, and locations and subsidiaries.

REASONS TO BUY

Quickly enhance your understanding of 'Visaka Industries Ltd'

Gain insight into the marketplace and a better understanding of internal and external factors which could impact the industry.

Increase business/sales activities by understanding your competitors' businesses better.

Recognize potential partnerships and suppliers.

KEY HIGHLIGHTS

Visaka Industries Limited (VIL) is a manufacturer of fiber cement and synthetic yarn. The company offers various cement asbestos products including asbestos sheets, accessories, non-asbestos flat sheets, and sandwich panels. It also provides V-Boards and V-Panels used for various indoor and outdoor applications such as false ceiling, wall partitions, wall paneling, door panels, mezzanine flooring, wardrobes, kitchen cabinets, back liners, and various other interior and furniture applications. It uses Twin Air Jet Spinning technology from Murata, Japan, for producing high-quality yarn products. These products are used in various fibers such as fabrics including shirting, suiting, fashion fabrics, upholstery and embroidery laces. The company exports its products to several countries including Belgium, UK, the US, Spain, Italy, Turkey, Mexico, German and Australia. VIL is headquartered at Hyderabad, India.

Contents
