Abstracts

This market research report examines the foreign trade of Latvia and its perspectives on the global market for silicon.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on silicon export/import operations in Latvia. The 2011-2021 period is covered, with more emphasis on foreign trade in 2021.

The report studies how Latvia behaves on the global market for silicon. It also assesses the dynamics of country's foreign trade in silicon in 2011-2021. The report indicates major suppliers and consumers of silicon in Latvia. The final chapter provides in-depth analysis of prospects for the country's foreign trade in silicon, as well the forecast for the development of the market for silicon up to 2026. Such parameters as trade value ($) and net weight (kg) are used in the analysis. We present average price forecast for silicon.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
