Abstracts

This market research report examines the foreign trade of Russia and its perspectives on the global market for alums.

The report will be of considerable interest primarily to relevant strategic planners, senior company officials and importers/exporters, since it features invaluable information on alums export/import operations in Russia. The 2011-2021 period is covered, with more emphasis on foreign trade in 2021.

The report studies how Russia behaves on the global market for alums. It also assesses the dynamics of country's foreign trade in alums in 2011-2021. The report indicates major suppliers and consumers of alums in Russia. The final chapter provides in-depth analysis of prospects for the country's foreign trade in alums, as well the forecast for the development of the market for alums up to 2026. Such parameters as trade value ($) and net weight (kg) are used in the analysis. We present average price forecast for alums.

More than 10 tables and diagrams comprise data on foreign trade in over 100 countries.
