Abstracts

Travel and tourism services show many signs of improvement in the first quarter of 2022

After two years of stalled operations due to the Covid-19 epidemic, Vietnam's tourism showed signs of prosperity in the first quarter when the Government allowed the opening of tourism from March 15, 2022 and many international routes were opened

Accommodation services are vibrant again in the first quarter of 2022

The supply of serviced apartments in Ho Chi Minh City slows down, while in Hanoi, the supply tends to increase

Vietnam's accommodation service industry is forecasted to continue to recover in the whole year of 2022 with the CAGR in the period of 2022 - 2025 reaching 8.9%/year.
