China Bricks, Tile, Stone Construction Materials Mfg. Industry Profile - CIC303

https://marketpublishers.com/r/CD6171FEC7DEN.html
Date: May 2013
Pages: 28
Price: US$ 580.00 (Single User License)
ID: CD6171FEC7DEN

Abstracts

Through a comparative analysis on the development of bricks, tile, stone construction materials mfg. industry in 31 provincial regions and 20 major cities in visualized form of data map, the report provides key data and concise analyses on the bricks, tile, stone construction materials mfg. industry in China, a list of major 20 enterprises in the sector as well as the comparison on investment environment in top 10 hot regions. In addition, the report truly reflects the position of foreign enterprises in bricks, tile, stone construction materials mfg. industry across China based on a comprehensive comparison of operating conditions among different enterprise types.

This report includes the data for the year 2012, 2011 and 2010.

This report is based on Chinese industry classification (Industrial Classification For National Economic Activities, GB/T 4754-2011).

Additionally, by original creation of ZEEFER Industry Distribution Index, the report directly shows the difference in various regions of Mainland China in terms of bricks, tile, stone construction materials mfg. industry, providing an important reference for investors' selection of target regions to make investment.

What will you get from this report?

To get a comprehensive picture on distribution of and difference in performance in regions of Mainland China in terms of the bricks, tile, stone construction materials mfg. industry;

To figure out the hot regions in China for bricks, tile, stone construction materials

mfg. industry, find out the potential provinces and cities suitable for investment as well as the economic development level and investment environment in these regions;

To get a clear picture on the overall development, industry size and growth trend of bricks, tile, stone construction materials mfg. industry across China in the past 3 years;

To get a clear picture on development status of foreign enterprises, state-owned enterprises, and private enterprises in recent years as well as the industry position of the above ownerships;

Present you with a list of major 20 enterprises inside the industry

Regions Covered By This Report

All the 31 provincial regions in Mainland China;

Top 20 cities in terms of bricks, tile, stone construction materials mfg. industry.

Enterprise Types Covered By This Report

Major 20 enterprises;

Enterprises Funded by Foreign Countries (territories), Hong Kong, Macau and Taiwan;

Chinese State-owned Enterprises;

Collective-owned Enterprises;

Cooperative Enterprises;

Joint-Equity Enterprises;

Private Enterprises.
