Company Usability Profiles:

The report deeply explores the recent significant developments by the leading vendors and innovation profiles in the Global Roofing Market including Atlas Roofing Corporation, BASF SE, Braas Monier Building Group, Duro-Last Roofing Inc., E. I. Du Pont De Nemours And Company, GAF Materials, Johns Manville Corporation, Owens Corning Corporation, Sika AG, The 3M Company, and The DOW Chemical Company.

Cumulative Impact of COVID-19:

COVID-19 is an incomparable global public health emergency that has affected almost every industry, so far and, the long-term effects projected to impact the industry growth during the forecast period. Our ongoing research amplifies our research framework to ensure the inclusion of underlying COVID-19 issues and potential paths forward. The report is delivering insights on COVID-19 considering the changes in consumer behavior and demand, purchasing patterns, re-routing of the supply chain, dynamics of current market forces, and the significant interventions of governments. The updated study provides insights, analysis, estimations, and forecast, considering the COVID-19 impact on the market.

360iResearch FPNV Positioning Matrix:

The 360iResearch FPNV Positioning Matrix evaluates and categorizes the vendors in the Roofing Market on the basis of Business Strategy (Business Growth, Industry Coverage, Financial Viability, and Channel Support) and Product Satisfaction (Value for Money, Ease of Use, Product Features, and Customer Support) that aids businesses in better decision making and understanding the competitive landscape.

360iResearch Competitive Strategic Window:

The 360iResearch Competitive Strategic Window analyses the competitive landscape in terms of markets, applications, and geographies. The 360iResearch Competitive Strategic Window helps the vendor define an alignment or fit between their capabilities and opportunities for future growth prospects. During a forecast period, it defines the optimal or favorable fit for the vendors to adopt successive merger and acquisition strategies, geography expansion, research & development, and new product introduction strategies to execute further business expansion and growth.

The report provides insights on the following pointers:

1. Market Penetration: Provides comprehensive information on the market offered by the key players
2. Market Development: Provides in-depth information about lucrative emerging markets and analyzes the markets
3. Market Diversification: Provides detailed information about new product launches, untapped geographies, recent developments, and investments
4. Competitive Assessment & Intelligence: Provides an exhaustive assessment of market shares, strategies, products, and manufacturing capabilities of the leading players
5. Product Development & Innovation: Provides intelligent insights on future technologies, R&D activities, and new product developments

The report answers questions such as:

1. What is the market size and forecast of the Global Roofing Market?
2. What are the inhibiting factors and impact of COVID-19 shaping the Global Roofing Market during the forecast period?
3. Which are the products/segments/applications/areas to invest in over the forecast period in the Global Roofing Market?
4. What is the competitive strategic window for opportunities in the Global Roofing Market?
5. What are the technology trends and regulatory frameworks in the Global Roofing

Market?

6. What are the modes and strategic moves considered suitable for entering the Global Roofing Market?
