Abstracts

With the changing lifestyle, heart related problems have increased drastically in India. Even the young population is now vulnerable to several heart related diseases. This has created the demand for technological advanced medical equipment. Cardiac Pacemaker is one such device, whose market is gaining ground due to its adoption across various hospitals in India. According to 6Wresearch, India Cardiac Pacemaker Market shipments reached 10.9 thousand units in CY Q4 2013. Medtronic is the leader in Indian market, followed by St. Jude Medical and BIOTRONIK. Indian Cardiac Pacemaker market is primarily dominated by internal Pacemaker systems, constituting 98% of the total market share of which single chamber systems category accounts for majority of the share.

Key features of the report:
