Abstracts

According to 6Wresearch, India Video Surveillance Camera Market (VSC) bagged a Total Shipment of 0.80 Million Units in CY Q4 2013, representing a substantial increase of 20% over the previous quarter. HIKVISION emerged as the new market leader replacing CP-PLUS. In CY Q4 2013, HIKVISION witnessed a significant growth of 40% and emerged as the market leader. The demand for low cost video surveillance cameras has spurred the growth for these players in the Indian market. SMB is the key segment driving the growth of low cost video surveillance cameras. However, public infrastructure & government segments are creating the demand for high end cameras.
