## Abstracts

### Summary

A karaoke machine is a machine that enables a user to play a song without the singing and read the words to the song from a TV monitor. They used to be extremely expensive and could only be purchased by this with lots of money, but times have changed a lot and now these fun entertainment machines are affordable and easy for anyone to get. They have gained popularity and are used in Home, For Venue (Bar/Restaurant/KTV), Outdoors and other places to provide entertainment for the guests that involve playing popular music tracks while the guests sing the songs.
