## Abstracts

### Summary

Marijuana is one of the most abused drugs in the world. And this report studies the Legal Marijuana. The commercial marijuana industry exists on a state-by-state basis, and all medical and recreational programs are technically in violation of federal drug laws. The U.S. Department of Justice issued some guidelines in recent years that helped the marijuana industry gain traction, but these are not legally binding and could theoretically be nullified at any time

This report describes the development of the industry by upstream & downstream, industry overall and development, key companies, as well as type segment & market application and so on, and makes a scientific prediction for the development industry prospects on the basis of analysis, finally, analyzes opportunities for investment in the industry at the end of the report.
