SNAPSHOT

Stand Up Paddle Board and stand up paddle boarding (SUP) are offshoots of surfing that originated in Hawaii. Unlike traditional surfing where the rider sits until a wave comes, stand up paddle boarders stand on their boards and use a paddle to propel themselves through the water. Stand Up Paddle Boarding is one of the fastest growing water sports. A combination of kayaking and surfing, this sports is fundamentally standing on a surfboard and using a paddle to propel oneself. Stand Up Paddle boards are longer, wider, and more buoyant than traditional surfboards, which enables you to comfortably balance on them.
