## Abstracts

### Summary

With the 2008 FDA approval for the natural no-calorie sweetener, stevia, food manufacturing companies are chomping at the bit for their share of the market. Since you can't "own" a natural substance, manufacturers are creatively processing and blending stevia extract with other no-calorie sweetening agents.

This report describes the development of the industry by upstream & downstream, industry overall and development, key companies, as well as type segment & market application and so on, and makes a scientific prediction for the development industry prospects on the basis of analysis, finally, analyzes opportunities for investment in the industry at the end of the report.
