Snapshot

Transportation Ticket Vending Machine (TVM) is a convenient way to purchase one way and day passes. Ticket machines dispense train tickets at railway stations, transit tickets at metro stations and tram tickets at some tram stops and in some trams. The typical transaction consists of a user using the display interface to select the type and quantity of tickets and then choosing a payment method of cash, credit/debit card or smartcard. The ticket or tickets are printed and dispensed to the user.
