## Abstracts

### Summary

Wall Bed, also known as a Murphy bed, folding bed or hide-a-bed, is a functional furniture piece that can transform any room into a bedroom instantly. These beds utilize vertical space to store and display a bed without the obvious intrusion into valuable room space. They are the perfect addition to any room that doubles as the guest bedroom, or for smaller bedrooms that have limited floor space. Wall Bed are lowered from their vertical position when in use, and can be lifted back into the vertical position in one quick movement, creating the ease of utilizing one room for multiple purposes. This report describes the development of the industry by upstream & downstream, industry overall and development, key companies, as well as type segment & market application and so on, and makes a scientific prediction for the development industry prospects on the basis of analysis, finally, analyzes opportunities for investment in the industry at the end of the report.
