Abstracts

China's demand for Cement & Concrete Additives has grown at a fast pace in the past decade. In the next decade, both production and demand will continue to grow. The Chinese economy maintains a high speed growth which has been stimulated by the consecutive increases of industrial output, import & export, consumer consumption and capital investment for over two decades. This new study examines China's economic trends, investment environment, industry development, supply and demand, industry capacity, industry structure, marketing channels and major industry participants. Historical data (2012, 2017 and 2022) and long-term forecasts through 2027 and 2032 are presented. Major producers in China are profiled.

The primary and secondary research is done in China in order to access up-to-date government regulations, market information and industry data. Data were collected from the Chinese government publications, Chinese language newspapers and magazines, industry associations, local governments' industry bureaus, industry publications, and our in-house databases. Interviews are conducted with Chinese industry experts, university professors, and producers in China. Economic models and quantitative methods are applied in this report to project market demand and industry trends. Metric system is used and values are presented in either Yuan (RMB, current price) and/or US dollars.

Our market research reports provide hard-to-find market data and analyses. Today, China has the largest market in the world. Tremendous fast-growing markets for imports and business opportunities for companies around the world. If you want to expand your business or sell your products in China, our research reports provide the insights and projections into Chinese markets necessary for you to do so.

Foreign Investment
Foreign Trade
Financial and Tax Regulations
Banking System and Regulations
Foreign Exchange
Taxes, Tariff and Custom Duties

III. CHINA CEMENT & CONCRETE ADDITIVES INDUSTRY ASSESSMENTS

Cement & Concrete Additives Industry Structure
Cement & Concrete Additive Industry Production, Capacity and Demand
Market Size
Market Growth Drivers
Cement & Concrete Additives Industry Capacity
Major Producer Facility Locations, Output and Capacity
Market Share of Key Producers
Labor Costs
Potential Entrants
Major Distributors
Major Foreign Investments
Technology Development

IV. CHINA CEMENT & CONCRETE ADDITIVES PRODUCTION AND DEMAND
