## Abstracts

China's demand for Driers has grown at a fast pace in the past decade. In the next decade, both production and demand will continue to grow. The Chinese economy maintains a high speed growth which has been stimulated by the consecutive increases of industrial output, imports & exports, consumer consumption and capital investment for over two decades. This new study examines China's economic trends, investment environment, industry development, supply and demand, industry capacity, industry structure, marketing channels and major industry participants. Historical data (2013, 2018 and 2023) and long-term forecasts through 2028 and 2033 are presented. Major producers in China are profiled.

The primary and secondary research is done in China in order to access up-to-date government regulations, market information and industry data. Data were collected from the Chinese government publications, Chinese language newspapers and magazines, industry associations, local governments' industry bureaus, industry publications, and our in-house databases. Interviews are conducted with Chinese industry experts, university professors, and producers in China. Economic models and quantitative methods are applied in this report to project market demand and industry trends. Metric system is used and values are presented in either Yuan (RMB, current price) and/or US dollars.

Our market research reports provide hard-to-find market data and analyses. Today, China has the largest market in the world. Tremendous fast-growing markets for imports and business opportunities for companies around the world. If you want to expand your business or sell your products in China, our research reports provide the insights and projections into Chinese markets necessary for you to do so.

China Top 13 Driers Manufacturer Location by Province

Major Driers Producer Output and Capacity

Market Share of Key Producers

China's Driers Consumption by markets

### IV. DRIERS CAPACITY AND DEMAND

China's Driers Production and Demand

China's Driers Capacity and Output by Product

China's Driers Consumption by Market

Oxidation Driers Consumption by Market

China's Oxidation Driers Classification Output and Demand

China's Oxidation Driers Output by Manufacturer

Polymerizable Driers Capacity

Polymerizable Driers Consumption by Market

Polymerization Driers Products Output and Demand

Secondary Driers Products Output and Demand

Secondary Driers Production and Demand

Secondary Driers Demand by Market

Combination Driers Production and Demand

Combination Driers Demand by Market

### V. DRIERS CONSUMPTION BY MARKET

Total Driers Consumption by Market

China's Top 11 Architecture Coating Manufacturers and Their Output

China's Top 11 Automobile Coating Manufacturers and Their Output

China's Top 10 Boat Coating Manufacturers and Their Output

China's Top 13 Printing Ink Industry Companies and Their Output

China's Top 10 Dish Washer Industry Manufacturers and Their Output

China's Top 11 Electrical Equipment Companies and Their Output
