China's demand for Plastic Additives has grown at a fast pace in the past decade. In the next decade, both production and demand will continue to grow. The Chinese economy maintains a high speed growth which has been stimulated by the consecutive increases of industrial output, import & export, consumer consumption and capital investment for over two decades. This new study examines China's economic trends, investment environment, industry development, supply and demand, industry capacity, industry structure, marketing channels and major industry participants. Historical data (2006, 2011 and 2016) and long-term forecasts through 2021 and 2026 are presented. Major producers in China are profiled.

The primary and secondary research is done in China in order to access up-to-date government regulations, market information and industry data. Data were collected from the Chinese government publications, Chinese language newspapers and magazines, industry associations, local governments' industry bureaus, industry publications, and our in-house databases. Interviews are conducted with Chinese industry experts, university professors, and producers in China. Economic models and quantitative methods are applied in this report to project market demand and industry trends. Metric system is used and values are presented in either Yuan (RMB, current price) and/or US dollars.

Our market research reports provide hard-to-find market data and analyses. Today, China has the largest market in the world. Tremendous fast-growing markets for imports and business opportunities for companies around the world. If you want to expand your business or sell your products in China, our research reports provide the insights and projections into Chinese markets necessary for you to do so.

III. PLASTIC ADDITIVES INDUSTRY ASSESSMENTS

China's Plastic Additives Industry Capacity and Output by Classification

Chinese Plastic Additives Manufacturers Output by Province

Chinese Plastic Additives Manufacturers Number by Province

Major Plastic Additives Producer Capacity and Output
China's Plastic Additives Output by Manufacturer and Their Market Share
China's Plastic Additives Consumption by Markets
Major Foreign Investment
IV. PLASTIC ADDITIVES PRODUCTION AND DEMAND
China's Plastic Additives Production and Demand
China's Plastic Additives Output by Manufacturer and Their Market Share
China's Plastic Additives Production and Consumption by Category
Plastic Additives Production and Demand
China's Plastic Additives Consumption by Markets
China's Plastic Import by Country
V. CHINA PLASTIC ADDITIVES MARKETS OUTLOOK
China's Plastic Additives Consumption by Markets
Plastic Additives Consumption by Market
Plastic Additives Consumption in PVC and Market Share
China's Top 20 PVC Manufacturer
Plastic Additives Consumption in PE and Market Share
China's Top 20 PE Manufacturer
Plastic Additives Consumption in PP and Market Share
China's Top 20 PP Manufacturer
Plastic Additives Consumption in Other Plastics and Market Share
Plastic Additives Consumption in Construction Industry and Market Share
China's Top 15 Real Estate Developer
Plastic Additives Consumption in Automobile Industry and Market Share
China's Top 10 Automobile Company and Their Sales Volume
Plastic Additives Consumption in Packaging Industry and Market Share
China's Top 11 Packaging Manufacturer
