Abstracts

The present report on “North America Nutraceuticals Industry Outlook to 2017 - Increasing Demand from Ageing Population to Drive Growth” gives a comprehensive analysis of the industry past, present and future outlook. The report discusses The US and Canada market with outlook to 2017. Statistics include functional food, functional beverages and dietary supplements. Additionally the sub-segments of the industry, ongoing trends and developments, import and export scenario, government regulations and impact and highlight major players operating in the industry.

North America was the second largest region for the nutraceuticals market in the world in 2012. The US is dominating the global market for nutraceuticals for more than a decade. The concept of nutraceuticals is very well prevalent in the North American region, with more than 60% of the population living in the US and Canada claiming themselves as a regular users of nutraceutical products. The revenues of the North America nutraceuticals industry have been strengthened by the ageing population. Escalating proportion of the elderly people in the US and Canada has propelled increasing consumption of nutraceuticals in the region. The impending risk of chronic diseases and maintenance of health in old age have been the major health concerns over the past few years. This has resulted in an increasing spending on the nutraceuticals products over the past years.

North America nutraceuticals industry recorded revenues of USD ~ million in 2012, registering a year-on-year growth of ~% from 2011. The revenues of the region have been majorly led by the US, which contributed USD ~ million in 2012. The value growth recorded by the nutraceuticals sector in the North American region over the review period of 2006-2012 was 8.4%, rising from USD ~ million in 2006. Canada

nutraceuticals industry has showcased stupendous growth in the past five years with revenues of the industry increasing at an average rate of 28.0% in the span of 2008-2012. In 2012, the sale of nutraceuticals in Canada was estimated to be USD ~ million, rising at a compounded annual growth rate of ~% from USD ~ million in 2006.

The competitive landscape of the North American region showcases presence of the world's most prominent nutraceuticals market players. The US is the most preferred destination for the trade of nutraceuticals in the world and is a major exporter and importer of such products. Canada, endowed with rich biodiversity, also features amongst the leading exporters of nutraceuticals ingredients.

The revenues of the North America are expected to map increasing growth in the future, bolstered by rising efforts of the market players to spread awareness amongst people about the benefits of consumption of nutraceuticals. The growth in the US nutraceuticals industry revenues will largely be driven by the functional food and beverages segment, whose popularity is expected to soar in the coming years, influenced by the increasing incidences of diseases such as diabetes, caused by unhealthy lifestyles. The revenues of North America nutraceuticals industry are expected to grow to USD 146,212.4 million by end of 2017.

KEY TOPICS COVERED IN THE REPORT

The market size of the North America, US and Canada nutraceuticals industry on the basis of revenues

Market segmentation of the North America Nutraceuticals industry on the basis of geography

Market segmentation of the US Nutraceuticals industry on the basis of types of products

Market segmentation of the Functional Foods and Beverages on the basis of product form in the US

Market segmentation of Dietary Supplements by Nutrients and Distribution channels in the US

Government Rules and Regulations

Import and export of Nutraceuticals in The US

Trends and Developments prevailing in the functional food & beverages, dietary supplements and overall nutraceuticals industry in the US and North America

Competitive landscape, market shares and detailed company profiles of the major players in the dietary supplements markets

Canada nutraceuticals market size

Future outlook and projections of the North America, US and Canada nutraceuticals industry on the basis of revenues

Contents

1. NORTH AMERICA NUTRACEUTICALS INDUSTRY INTRODUCTION

- 1.1. North America Nutraceuticals Industry Market Size by Revenues, 2006-2012
- 1.2. North America Nutraceuticals Market Segmentation by Geography, 2006-2012
- 1.3. North America Nutraceuticals Market Future Outlook and Projections, 2013-2017

2. THE US NUTRACEUTICALS INDUSTRY INTRODUCTION

- 2.1. Government Rules and Regulations
- 2.2. The US Nutraceuticals Industry Size by Revenues, 2006-2012
- 2.3. The US Nutraceuticals Market Segmentation by Type of Products, 2006-2012
- 2.4. The US Functional Food and Beverages Market Introduction
 - 2.4.1. The US Functional Food and Beverages Market Size by Revenues, 2006-2012
 - 2.4.2. The US Functional Food and Beverages Market Segmentation by Product, 2006-2012
 - 2.4.3. The US Functional Food and Beverages Market Trends and Developments
 - 2.4.4. The US Functional Food and Beverages Market Future Outlook and Projections, 2013-2017
- 2.5. The US Dietary Supplements Market Introduction
 - 2.5.1. The US Dietary Supplements Market Size by Revenues, 2006-2012
 - 2.5.2. The US Dietary Supplements Market Segmentation
 - 2.5.2.1. By Nutrients, 2006-2012
 - 2.5.2.2. By Distribution Channels, 2010-2012
 - 2.5.3. The US Dietary Supplements Market Competitive Landscape
 - 2.5.4. The US Dietary Supplements Market Trends and Developments
 - 2.5.5. The US Dietary Supplements Market Future Outlook and Projections, 2013-2017
 - 2.5.6. The US Dietary Supplements Market Imports and Exports
 - 2.5.6.1. The US Dietary Supplements Market Exports, 2006-2012
 - 2.5.6.2. The US Dietary Supplements Market Imports, 2006-2012
- 2.6. The US Nutraceuticals Industry Future Outlook and Projections, 2013-2017
 - 2.6.1. Cause and Effect Relationship Analysis of the US Nutraceuticals Industry
- 2.7. Macroeconomic Factors Affecting the US Nutraceuticals Industry
 - 2.7.1. Ageing Population in the US, 2006-2017
 - 2.7.2. The US National Healthcare Expenditure, 2006-2017
 - 2.7.3. Obese Population in the US, 2006-2017
 - 2.7.4. Diabetic Population in the US, 2006-2017

2.7.5. Personal Disposable Income in the US, 2006-2017

3. CANADA NUTRACEUTICALS INDUSTRY PAST AND FUTURE MARKET SIZE, 2006-2017

4. APPENDIX

4.1. Market Definition

4.2. Abbreviations

4.3. Research Methodology

Data collection Methods

Approach

Variables (Independent and Dependent)

Multi Factor Based Sensitivity Model

Final Conclusion

4.4. Disclaimer
