UK Contract Logistics Database

Date:	June 26, 2013
Price:	US\$ 1,295.00
ID:	U18107FB966EN

Analytiqa's UK Logistics Contracts Database provides detailed information on thousands of contract awards across the logistics industry. Analytiqa's experienced analysts undertake regular research of contract wins and losses, extensions and renewals across the logistics industry. Regular updates of the UK Logistics Contracts Database bring you an essential business intelligence tool that will ensure your business development teams are kept abreast of the competition and understand the outsourcing activities of your key clients and prospects. The UK Logistics Contracts Database contains information on over 1,200 contract awards from across the logistics industry. The information allows users to perform detailed searches of the database by any combination of the data fields, including country, sector, 3PL, renewal dates and contract services.
