Abstracts

A qualified, independent and unbiased perspective on the current and future performance of the European Contract Logistics industry

Who's Who in European Logistics 2008 is a statistical analysis of the current trends and issues directly affecting the European Contract Logistics industry. The report evaluates the performance of key providers in the industry within the context of the current sector and market conditions.

This report not only ranks the leading providers in the market but also provides market shares and considers the growth dynamics of the various geographic regions within Europe namely Central, Eastern and Western Europe. This report enables you to benchmark:

Company growth v market growth

Market structure by company size

3PL rankings and growth trends by revenue and profitability

3PL market shares in both logistics and contract logistics

Who's Who in European Logistics 2008 also provides a strategic analysis of the 3PL market in Europe. This includes the continuing consolidation of service providers and the management strategies being adopted following M&A activity in terms of corporate structures, and also the sector and service focus being adopted by Tier Two and Three 3PLs. Recent developments in the property portfolio strategies of leading 3PLs are also highlighted, whilst Executive level appointments, and the movements of

key people between 3PLs, at both Group and country levels are also tracked.
