Abstracts

Alliance marketing is a kind of marketing mode that pays according to the marketing effect. It is a new network marketing mode that the business uses the third platform to provide the website alliance service, and the individual seller or company promotes the commercial goods, so as to expand the sales space and increase the sales volume. The three roles of alliance marketing include advertisers (merchants), alliance members and alliance marketing platform. Advertisers pay reasonable advertising expenses to the members of the alliance according to the actual effect of alliance marketing (such as sales, guide number, click number, etc.) to save marketing expenses and improve marketing quality. The alliance members choose the appropriate advertisers through the network alliance marketing management platform and improve the income by playing the advertisement, and save a lot of marketing expenses of the alliance, and easily turn the website access into the revenue.
