Abstracts

As a part of wedding industry, wedding dress is an important part in the celebration. Because of the advertising by the wedding companies, wedding dress suppliers, and cultural traditions and fashion industry, wedding dresses are widely consumed. There is a wide range to classify the category of wedding dress. It is apparel product at the first position; meanwhile it is also a souvenir of marriage, accordingly it can also be regarded as art craft. Moreover, like the apparel industry, the high end of its product is a kind of luxury. According to many cultures, the bride might change cloth on the wedding day for multiple times, and the veil, gloves, and other accessories can be included in wedding dress. This report will only focus on the dress that the bride wears in wedding ceremony. Moreover, different cultures often have diverse styles of wedding dress, such as Western, East Asian, etc. Since the contemporary western styled wedding dress is the most popular style for wedding ceremonies worldwide, it will be concentrated in this report.
