Expected to become one of the world's top 20 economies by 2050 (Goldman Sachs) and among the N-11 (Next Eleven) Emerging Countries, Iran represents tremendous business opportunities in practically every industry sector.

Iran Country Report 2011 is a comprehensive collection of practical data (including key macro and micro economic indicators and statistics) as well as useful business advice (tips and recommendations on how to enter and/or grow your business), in one of the largest and most strategic markets in the Middle East, with massive potentials both as a large consumer market as well as an emerging production/ assembly/ distribution hub.

The report is designed for a wide range of audiences from academics to exporters of products and services in various fields.

The report can be purchased on the one-time basis or on a subscription basis with quarterly updates.
